

# Orienteering At Northmoreland Park

by the Western Pennsylvania Orienteering Club

Where: Northmoreland Park, near Apollo, PA

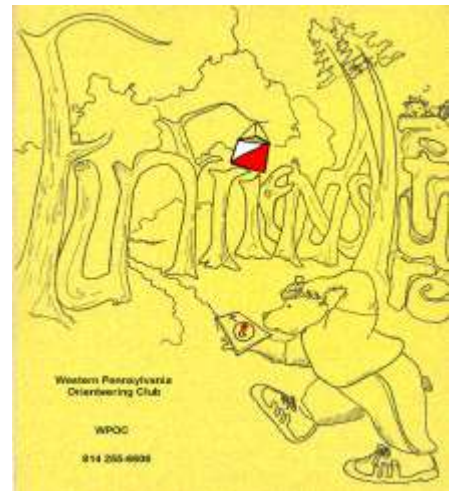

When: Sunday, April 29, 2018; sign-in 11 AM – 2 PM

**What is Orienteering?** Orienteering is a competitive form of land navigation. It is for all ages and degrees of fitness and skill, and all-weather. It provides the suspense and excitement of a treasure hunt. The object of orienteering is to locate control points by using a map and compass to navigate through the woods.

**What to bring?** All you will need to bring is a compass (if you do not have one, we can loan you one), and appropriate footwear to walk in the woods.

**Event Details:** The courses offered are sprints – short cross country orienteering courses; participants may do two beginner or two advanced courses for one entry. Cross country courses involve finding a series of control flags in a pre-specified sequence.

- Sign In 11:00 am to 2:00 pm
- Must Finish the course by 3:30 pm

**Instruction for novices:** Available on site

**Cost:** \$6.00 per entry (family or group can share one map if they wish); each entry is entitled to do two courses.

**Event Location:** Northmoreland Park, Shelter #2, off route 356 near Apollo. Look for red-and-white orienteering signs once you get to the park.

**Questions:** Contact Jim Wolfe at [jlwolfe@atlanticbb.net](mailto:jlwolfe@atlanticbb.net)
