**What is Orienteering?** Orienteering is a competitive form of land navigation. It is for all ages and degrees of fitness and skill, and all-weather. It provides the suspense and excitement of a treasure hunt. The object of orienteering is to locate control points by using a map and compass to navigate through the woods.

**What to bring?** All you will need to bring is a compass (if you do not have one, we can loan you one) and appropriate footwear to walk in the woods.

**Event Details:** The courses offered will include beginner, novice, intermediate and advanced level Cross Country courses. Cross country courses involve finding a series of control flags in a pre-specified sequence. Come early so you can do two courses.
